U9 A BOYS HOCKEY

On Saturday, 03 August we saw the U9 A hockey boys take to the Astro in their first Festival for the season. It was tough playing mini 8 minute games as it takes them a few minutes to warm up - despite this, they played very well, used the skills that they have learned thus far and we can only look forward to the rest of the season. They drew 3 games and lost 1 goal. They behaved well on and off the field. Well done boys. From Coach Slater and Mrs Brand.

U9 B BOYS HOCKEY

On Saturday, 03 August the U9 B boys competed in a Festival hosted by Northlands Primary School. The boys played 4 matches against Ashton, Northlands, Umhlali and Crawford La Lucia. They won 2 and drew 2. As the game went on the boys started to grow in confidence and started to play like a team. They can be commended for playing their hearts out. Well done boys. From Miss Logan and Coach Mark
