- Preference is given to applicants living in close proximity to Chelsea Preparatory School.
- If a parent gained entrance for his/her child to this School by making a false statement regarding his/her place of residence, or any other information, the School is entitled to revoke the agreement, which allowed the learner concerned admission to this school.
- The high standard of education set at Chelsea Preparatory School is dependent on the compulsory school fees paid by parents. The 2019 fee is R32 600 per learner. This is expected to increase annually.
- Closing date for applications is 31 March 2020 for 2021 intake into Grade R and Grade 1, although admissions will continue until the School is deemed full.

GRADE R

Prospective Grade R parents are requested to note that Grade R is not part of the compulsory schooling phase. The School, therefore, receives minimal state funding for Grade R which is financed largely via the fees paid by the pupils in this grade. Because of this, it has been resolved by the School's Governing Body that we cannot offer financial assistance to any parents who have children in Grade R. Our school is not bound by law to offer assistance in terms of the South African School's Act, and we cannot expect a small group of parents in this grade to subsidize other children. Parents are thus cautioned when applying for enrolment for Grade R, it is with the clear understanding that no assistance can be offered with the prescribed school fees.

Thank you for your interest shown in Chelsea Preparatory School. Please contact the School should you require any further information.

Yours sincerely
